Biography written by Max Huff in 1995 (revise as appropriate):

PHILLIP AND RACHEL HOFF OF VA

Phillip HOFF (c 1740/47 - 1823 Montgomery Co, Va) made his will 25 Jul 1822 and it was probated in Feb Court, 1823. He made his mark to the will which was written as HUFF; but in his lifetime, he was generally recorded as Phillip HOFF. His descendants have all been HUFF, except in a few instances when they were recorded as HOAF or HOFF. Phillip year of birth is not known, but he was in Loudoun Co, VA, as a taxpayer and presumably with a family in the 1760 decade until about 1770 along with Benjamin and Ruth HUFF and their sons and sons-in-law. A Henry HUFF and a Thomas HUFF were also there earlier with Benjamin HOOFF. One would assume that Phillip HOFF was part of that group, but there is no record that this was the case. Benjamin and Ruth moved to the Southwest frontier in

DNA Connections

It may be possible to confirm family relationships with Philip by comparing test results with other carriers of [his Y-chromosome](#) or his mother's mitochondrial DNA. However, there are no known yDNA or mtDNA test-takers in his direct paternal or maternal line. It is likely that these autosomal DNA test-takers will share DNA with Philip:

Collaboration

VA, and Phillip followed. They show up together on records of the 1780 era, indicating they lived close to each other. They clearly settled among other HUFF families already established in the Bent Mountain area. Henry HUFF moved into Bedford Co. Robert JACKSON, believed to be father-in-law to Phillip HOFF, was also in Loudoun Co before his move to Southwest VA; but he was not living among the HUFF group. It is probable that the HUFF families came to Loudoun Co from MD, PA, or NJ. (Two or more of Benjamin HUFF's ch spelled their names as HOUGH, and their record of Benjamin and Ruth showed their name as HOUGH.) If the family of Henry is correctly identified, both he and Phillip repeated the names Phillip and Henry among their ch.

Phillip HOFF md Rachel JACKSON (c 1745/50 - alive 1823 Montgomery Co, VA) believed to be dau of Robert JACKSON. (Other sources show Thomas JACKSON as father, but the evidence for this is not known.) They could have md in Loudoun Co, VA; but there is no record there in the surviving records of one of the two parishes of the county. Certainly they md before they started moving along the mountain chain. It is assumed Rachel was Phillip's only wife. So far as is known, Phillip moved directly from Loudoun Co to Botetourt Co, VA, where he settled in that part which later fell in Montgomery Co. He was certainly there by 1780, when he and Benjamin were contributing to the Rev. cause. In 1822, Phillip listed all his surviving ch as Daniel; William; Sarah WALKER; Phillip; Nancy MILLER; Elcey SNUFFER; John; Samuel; Henry; and James. All received \$1.00 except James, who received all of Phillip's property, except the one-third which was to be for wife Rachel as long as she lived. Witnesses were Benjamin REED; Henry SHOCKEY; and Peter DEWEESE. One son, Absalom, d. before Phillip; but no heirs of Absalom were mentioned in Phillip's will. No record has been found for Rachel's death. Ch for a normal fertility span would be born from about 1760 until about 1790. There is no indication that any son was old enough to take part in the Rev. War.

- 1. Daniel (c 1764 - 27 Oct 1853 KY) lived a long and varied life. Robert A. HUFF recorded Daniel's first wife as Elizabeth

Great documentation of Philip

TURMAN, and Daniel clearly had some relationships with the TURMAN family in Jefferson Co, TN. The first wife probably had some ch to include Phillip. Available records show Daniel was appointed Constable for Capt David EDDING's Comp of Montgomery Co, VA, Militia on 5 May 1790. He was likely the Daniel HOFF who md in Franklin Co, VA, on 30 Aug 1790, Hannah HALE, dau of John HALE. William HOFF was surety and Rev. Randolph HALL performed the ceremony. A Daniel HOFF had previously witnessed the marriage of Adam RUNNING to Rachel WRIGHT on 21 Sep 1788 in Franklin Co, with Rev Randolph HALL performing the ceremony. Daniel HOFF of Franklin Co is believed to be the same person as Daniel HUFF of Montgomery Co. In 1792-93, Daniel, Phillip, John, and Leonard HUFF were on tax list N of Montgomery Co, formerly the John ROBINSON district of Botetourt Co, on the upper reaches of the Roanoke River and Little River. Daniel and his brother Phillip probably moved soon afterwards to Jefferson Co, TN, along with members of the TURMAN family. Daniel went on to KY by 1799, where he was a pioneer on the Cumberland River. He was a land speculator, Lieutenant and Captain in the Cumberland Militia (46th KY Regt), and leading citizen in Cumberland Co. He was a member of Clear Fork Baptist Church. He md two or three times in KY; but neither his wives or ch are all known. Daniel's second wife was probably the Hannah HALE mentioned above, and her ch may have incl Daniel; Hawkins Qualls; Rachel; Lewis, Dinelia; and others. The third marriage may have been that of Daniel HUFF in 1806 to Mary "Polly" (MILLER) STINSON, widow of John STINSON of Wayne Co, KY. Her ch may incl Harrison, Sophia; Joshua; and others. (Another source gives one wife as Lescenter (SUBLETT) QUALLS, and that Qualls, Rachel BEST, and Dindia FOWLER were her ch.)

- 2. William (c 1765/70 VA - Clinton Co, VA) on 2 Feb 1791 in Franklin Co, VA, md Lydia MILLER (c 1771 VA -), dau of Thomas MILLER, with Samuel WILSON as security. Samuel WILSON md the same day with William HUFF as security. William moved to that part of Cumberland Co, KY, which later became Clinton Co. Ch incl Elizabeth; William, Jr; Zilpha; Daniel; Sarah; Lewis; Abner; David; Euthless; Thomas; and Pleasant H. (Zilpha was mother of Champ FERGUSON, a notorious guerilla leader of the Civil War who was hanged for his crimes after the war.)
- 3. Sarah (c 1773 VA -) is shown on the 1822 will as Sarah WALKER, but this was a second marriage for her. Sally HUFF of Montgomery Co, VA, on 10 June 1793 in Franklin Co, VA, md (1) Theodoric (FITZGERALD) WEBB, step-son of Jacob WEBB of Franklin Co, VA. Randolph HALL performed the ceremony,

Huff's descendants at
<http://worldconnect.rootsweb.ancestry.com/bin/igm.cgi?op=GET&db=saragred&id=I40862>

and Joshua RENFRO was surety. WEBB (or FITZGERALD) ch incl Jane; Theodoric; Creed; Bird; Nancy; and Ursalla. In 1811, Widow Sally WEBB md (2) George WALKER, with Wilson TURNER performing the ceremony, and they had at least one ch, Adeline, who md Harvey CLAYTON in 1830.

- 4. Phillip (c 1775 VA - prob about 1819/1820 in KY) by family tradition recorded by Robert HUFF md Maria JACKSON, dau of Isaac and Elizabeth (HOWELL) JACKSON, and had ten ch. This has not been confirmed. What is known is that Phillip probably went to Jefferson Co, TN, with his brother Daniel, thence to Cumberland Co, KY, where he was a taxpayer by 1797. On 1 Feb 1796 in Jefferson Co, TN, he md Mima TURMAN. In May 1797, he was appointed guardian of Thurman, who was entered into bond with Thomas GRAY, Esq, as his security. Years later, there was a divorce case of Phillip vs Jemima HUFF, and the family tradition of 10 or 12 ch may refer to this family. Names of the ch have not been recovered. (There were three Phillip HUFF families in the area of Cumberland Co, KY; and it is not clear which was which. The Phillip HUFF, Jr who md Maria JACKSON may have been son of Phillip and Jemima rather than the older Phillip. Another Phillip HUFF md Margaret SNUFFER and lived in TN, KY, and IN. He is believed by descendants to be son of Daniel HUFF and his first wife and grandson of Phillip and Rachel (JACKSON) HUFF. He d. 1826 in Monroe Co, IN, age not known. A third Phillip HUFF lived in Wayne Co, KY, until he died. This Phillip was too young to be in Cumberland Co by 1797. He was b. 1785 VA, md Hannah and had prob. ch Elizabeth; Minerva; Sarah Catherine; William; and poss ch Phillip; Robert M.; and George W. More research is required to separate these Phillip HUFF families.)
- 5. Nancy (b 1777 Loudoun Co, VA - Wolf River, Fentress Co, TN) md Pearson MILLER on 4 Dec 1797 in Franklin Co, VA, with Thomas MILLER as surety. Family tradition claims that Pearson MILLER had gone to KY as a bachelor, and that he cooked on a fire shovel and ate from a terrapin shell on his claim there. He returned to VA, where he spent the night with the Phillip HUFF family. There he saw Nancy and proposed marriage the next morning. They left with a horse and a feather bed which served as a saddle for Nancy. Pearson walked ahead with a rifle gun. They settled first in Stockton Valley, where in 1799 they had 100 acres of land on Spring Creek and 2 livestock. They moved soon afterwards to Three Forks of Wolf Creek, in that part of Overton Co, TN, which was later in Fentress Co, TN. They had 11 MILLER ch: Absolum; Armstead; James; Abner; Alsie; Pleasant; William; Polly; Deliala; Nancy; and Sally. Pearson was quite portly in later

years, while Nancy was very thin. This made for much family comment. Pearson MILLER made his will 6 Aug 1850 and it was recorded 12 Jul 1867 (Fentress Co Will Book A:199-201). (As a historical note, in 1858 in Fentress Co, TN, James, William, and Pleasant MILLER furnished \$3000 bond for the appearance in court of their cousin, Champ FERGUSON, charged with the murder of James REED, Deputy Sheriff of Fentress Co, at a church meeting on Wolf River. It is clear that Champ FERGUSON had a bad reputation before the Civil War.)

- 6. Elcey (1776 Loudoun Co, VA - 8 Mar 1855 Raleigh Co, WV) on 3 July, 1798 in Montgomery Co, VA, md George SNUFFER, Jr (25 Oct 1777 - 26 Nov 1858 Raleigh Co, WV), son of George and Mary (WIRT) SCHNAUFFER. Phillip HUFF and George SNUFFER were sureties. Jacob MILLER perf the ceremony. They had at least three ch and possibly four: George, Jr; Margaret; David; and John. They moved in 1822 to Wyeth Co, VA, and sold Montgomery Co property land to Mary DEWEESE. In 1829, they moved to what is now Raleigh Co, WV and settled near the present community of Bolt, near the Wyoming Co line.
- 7. John (c 1780 VA - after 1860 and before 6 Dec 1866 Fentress Co, TN) lived near Pearson and Nancy (HUFF) MILLER. He md (1) Prudence MILLSAP, who d. before 1850, and ch probably were Wylie; Alexander; Claburn B.; Preston; Cela; Didama; Martha; Nelly; Pamela (1); Pamela (2); and Matilda. In addition to these, census records indicate the possibility of added ch or relatives Nancy; John; James; Permelia (rather than Pamela); and Henry. By 1851, John had md (2) Serena ????? (1815 TN -) and she had Ransome (or Branscomb); Florence; and Diane A. At one time, John HUFF owned land in Monroe Co, IN.
- 8. Samuel (c 1785 VA - after 1840, poss Southern MS) on 2 May 1804 in Montgomery Co, VA, md Anne WILEY, dau of Alexander WILEY, with George SNUFFER and Henry HUFF as security. They moved by 1810 to Cumberland Co, KY. There were several Samuel HUFF families in the area, but Samuel and Anne may have been the ones who moved to Jackson Co, AL, in the 1820 decade. One known ch of the Jackson Co, AL, family was Alanson HUFF of Tishomingo Co, MS, and poss. sons Mathew and Elias of Coahoma Co, MS. Elias HUFF went on to AR. Names of other poss. ch not known.
- 9. Henry (15 Jan 1786 Floyd Co, VA - 20 Mar 1877) on 5 June 1811 in Montgomery Co, VA, md Rachel JACKSON (6 June 1789 Floyd Co, VA - d before 1860), dau of Robert and Betty (EASIM) JACKSON (Book A:130). Alexander WILEY was surety. Their ch

are also listed as b in Floyd Co, VA. This means they were there before the county was formed. Ch incl Easom; Jackson; Robert King; Nancy Ann; Isaac Henry; Wilson; Byrd; Lydia; and Jane. The Floyd County History referred to Henry as "the spotted Dutchman" because of the mottling coloration of his face. Henry's family evidently had a tradition of descent from early Dutch or German settlers.

- 10. James (c 1790 VA -) received the Phillip HUFF estate and part of the estate of his brother Absalom HUFF. One James HUFF md Stacy LITTERAL (also shown as Lucy LUTTRELL) on 8 May 1814 in Montgomery Co (Book A:146). Thomas LITTERAL was surety, probably father to Stacy. They seemed to have lived in Montgomery Co through 1830 with as many as 4 daus, but are not identified later.
- 11. Absalom (c 1792 VA - will probated May 1817 Montgomery Co, VA) lived in Montgomery Co, VA, and apparently was unm. He left his estate to his father Phillip, mother, and brother James. He had been in court in 1812 for fighting.

There was a Phillip HUFF who arrived at the Port of Philadelphia on 30 Dec 1768 on the ship "Crawford" from Rotterdam; however, none of the ch living in 1850 show foreign birth. In fact, they show Phillip's ch to be born entirely in VA. The 1768 immigrant can be discounted. The proximity of Phillip HUFF (or HOFF) to Benjamin and Ruth HUFF (or HOOFF or HOFF) in Loudoun Co, VA, then in Botetourt and Montgomery Co, VA, suggests a relationship which has not been determined. The association of the two with Henry HUFF of Bedford Co is less clear, but it also must be considered. The family tradition of Henry HUFF, son of Phillip, that he was of Dutch descent may have some relevance.

Abercrombie and Slatten, Virginia Publick Claims, Botetourt County, no date, (Iberian Publishing Company, Athens, GA), pp 29, 31, 33, lists Benjamin Hoff, Phillip Hoff, and Thomas Wilson as contributing wheat to Commissioners Lockhart and Ward in 1780/81. The Oct 1782 court shows Phillip Huff paid 16s, 8p for 100 pounds of flour for the militia, and Benjamin Huff paid 16s for a blanket. F. B. Kegley, Kegley's Virginia Frontier...1740-1783, 1938, p 561 for Phillip, p 600 for Samuel, and p 601 for Henry. L. P. (Polly md [2] John Stinson. Or maybe it was Polly Stinson md [2] Daniel Huff by 1834.) "It seems quite probable that some of the above are descended from Phillip and Rachel, but not all. There must have been another early Huff or Hoff family passing through [Wayne Co KY]. Some of these used Dutch given names: Delemaris; Cemecus; Deadamica; Tunulia; Tilemaus. I suspect this was a Hoff family of PA or NJ origin who wound up in the area. Also, some of the later records show Hufft, and that name must be considered." [I have also thought the use of Hufft was less important than some researchers made it. Most occurrences I ever spotted were 20th century. KP]

It is possible he is the father of our Philip Huff, the evidence is still inconclusive.

On the Internet, it is stated (?) that this will was located in Wayne Co KY:

As a Quaker, Philip Huff, was exempt from armed participation in any kind of war; but he was permitted by the tenets of his faith to give non-combative support, which he chose to do. He supplied food, horses, wagons & drivers (often himself) for the Continental Troops. His name is listed in THE PATRIOT INDEX of the DAR with the designation "PS" (public service). Notes

Note N1188Philip Huff (Hough) is listed in the 1786 tax lists for Loudoun County, Virginia.

He is supposed to have lived in Loudoun County for awhile and then moved to Montgomery County. He always listed his name as Hoff, but his children used the name Huff.

Philip and his family settled near the Jackson's of Loudoun County who also migrated to southwest Virginia.
